INTERNSHIP OPPORTUNITIES

*Wisconsin companies
making a difference
in the lives of people
with disabilities.*

Our Association

RFW member organizations provide a variety of internships, practicum, externships, and fellowship opportunities in a variety of fields throughout the state of Wisconsin.

These internship opportunities provide an ideal opportunity for associate, undergraduate, and graduate students to gain real-world work experience relevant to their academic and career goals.

Contact us for more information about available internship opportunities at 608-244-5310

or online at

www.rfw.org/rfw/joinus/students.htm

Member Services

Members of RFW offer an array of vocational, residential and early childhood rehabilitation programs to people in Wisconsin. They are community-based organizations providing some or all of the following services to people with disabilities or other barriers to independence:

INDEPENDENT LIVING SERVICES

Assistance for individuals to develop more independence in the community. This may include services for transportation, recreation, education, therapies and socialization.

BIRTH TO THREE SERVICES

Support for children, aged birth to three, who have developmental delays or disabilities. Services are provided in natural environments for children and their families.

EMPLOYMENT SERVICES

Placement and/or vocational training services and employment opportunities for people with disabilities in settings that match their interests and desires.

RESIDENTIAL SERVICES

Supports for individuals to live in the community which may include home ownership, apartment rental, shared or supported living, group home living, adult foster homes, etc.

DAY SERVICES

Assistance to adults with the most significant disabilities to develop skills for independent living, socialization and community involvement.
