Press Release

Diverse Options To Hold Warehouse Sale

Diverse Options, Inc. teams up with Laser Excel to hold Warehouse Sale to benefit individuals with disabilities.

Ripon, WI, February 6, 2007: Thanks to the generosity of a local company, individuals with disabilities will benefit greatly as Diverse Options, Inc. announces a Warehouse Sale to be held Saturday, February 17th and Saturday, February 24th in Ripon. The event will raise funds to support over 300 individuals with disabilities in Fond du Lac, Green Lake, Waushara and Marquette counties.

In late 2006, Laser Excel of Green Lake donated its overstock of stencils, stationary, announcements, invitations and a variety of cardstock to Diverse Options with an idea in mind according to DO CEO, Al Schraeder. "The folks at Laser Excel said basically to take this inventory, sell it and use the money for the people you serve. When we saw what they had donated, we knew this would be a great fund raiser for our organization. Everyone wins in this situation; Laser Excel gets rid of excess inventory, DO raises money to advance our mission and the community benefits by being able to purchase a variety of items at a great price."

Laser Excel specializes in precision laser cutting of acrylics, polycarbonate, woods, fabrics, papers and Mylar films. In addition, Laser Excel has been a strong partner with Diverse Options for a number of years. "Laser Excel contracts with our workforce of individuals with disabilities to provide a wealth of packaging, assembly and inspection services for their product line" says Schraeder. "We are so grateful for their partnership and all the work opportunities they have provided for the people we serve. This contribution will greatly assist our fund raising efforts this year."

The Warehouse Sale will be held at Diverse Option's production center at 571 Fenton Street in Ripon. Schraeder says there is something for everyone at the event. "If you are involved in crafts, scrap booking or have a wedding, party or event coming up, the items donated by Laser Excel will greatly reduce your costs. You truly need to stop in and see all the wonderful Laser Excel products we are selling."

The event will run from 9:00 AM to noon each day.

For Release 9 a.m. CST, February 6, 2007

more

Diverse Options, Inc. is a private, not-for-profit organization that serves the vocational and independent living needs of individuals with disabilities in Fond du Lac, Green Lake, Marquette and Waushara counties. DO's mission exists to "support, educate and empower individuals with disabilities to reach their highest level of independence."
