

CALL FOR PRESENTATIONS
Rehabilitation & Transition Conference
Date: April 9-11, 2008 ♦ Site: The American Club, Kohler, WI

About the conference:

PARTNERS: Rehabilitation For Wisconsin, Inc.; Wisconsin Rehabilitation Association.

CONCEPT: This annual event has become Wisconsin's premiere conference for rehabilitation professionals. Conference attendees come from public and private organizations and include case managers, therapists, placement specialists, educators, community mental health providers, direct service staff, school-to-work transition councilors, and administrators. This three-day conference features seven different tracks and offers sessions for employees at every level. Presenting at the conference is a professional hallmark of reinvesting knowledge and experience. Presenters are renowned both statewide and nationally, or are rehabilitation professionals practicing innovative strategies for assisting consumers. Presenters point practitioners toward more effective ways to obtain desired results and present useful answers to workplace challenges.

FOCUS AREAS: Transition, Employment, Ethics, Mid-Management, Autism Spectrum Disorders, Collaborative Partnerships and Best Practices, Special Interest
