TBI Model System Centers:

There are 16 Traumatic Brain Injury Model System Programs. The entire list can be found at BrainLine: <http://brainline.org/index.html>. Each one of the 16 programs has valuable resources, but these are the sources that the presenter found most helpful.

Mayo Clinic Traumatic Brain Injury Model System, Rochester, MN
<http://mayoresearch.mayo.edu/mayo/research/tbims/>

New York Traumatic Brain Injury Model System,
 Mount Sinai School of Medicine, New York, NY
<http://www.mssm.edu/tbicentral/nytbims/>

University of Washington Traumatic Brain Injury Model System,
 University of Washington, Seattle, WA
<http://depts.washington.edu/rehab/tbi/>
